# ACCORDS

## DISSEMINATION AND IMPLEMENTATION CERTIFICATE PROGRAM

This fully on-line D&I Certificate will provide real-world training in D&I science and practice which can be applied across multiple topic areas and settings in health services, clinical and community health, and public health research.

### WHO SHOULD APPLY?

Researchers, evaluators, trainees and students in health services, community health, and public health interested in training in dissemination and implementation science – a perfect fit for career development awards or those seeking formal D&I training.
